JOHN McLAVER, a well-known passenger conductor on the Central Vermont railroad, has gone West.

These relief will be vacant in Bennington this fall, requiring the procurement of three ministers.

MR. AND MRS. E. A. DUNTON have taken possession of the depot restaurant at White River Junction.

A. C. SHAW, the oldest man in Castleton, is dead, aged eighty-six. He was a cousin of Josh Billings.

A TRAMP giving his name as Charles Devere of Montreal was arrested for breaking into the Highgate depot.

DR. CALVIN WOODWARD, for many years a prominent physician in Danville, is dead, at the age of about sixty.

JOHN B. AYER, a farmer of St. Johnsbury, died in a vomiting fit Friday night. He was apparently well just before.

A SON of James Carroll of West Rutland, eight years old, was drowned in a small brook Sunday while bathing.

IRVING O. PALMER of the last class at Colby University, Waterville, Me., has been elected principal of Derby Academy.

BREMAN BROTHERS of Swanton have just completed a new factory for their buckle works and will move in a few days.

TENTS are getting thick at Highgate Springs, parties from Montpelier and other localities having settled down there for camp life.

MRS. MELBA GOODENOUGH of Montgomery, who was soon to be married to a Boston gentleman, died suddenly in that city Wednesday of last week, aged twenty-two.

The medical department of the University of Vermont graduated a class of fifty-three Monday. The annual address was delivered by Hon. J. W. Patterson of New Hampshire.

MRS. BRONSON of Bellows Falls, about seventy-five years of age, attempted to commit suicide by cutting her throat, but only inflicted a slight gash. She was crazed by opium-eating.

A NEW weekly paper, called the *Rutland County Recorder* and published by the Rutland Publishing Company, will make its debut July 30. Mr. Frank W. Redfield will assume the editorship.

A HUGO bonfire, built under the "Nose" on Mansfield Mountain Friday night, was visible over a large section of country and presented a most brilliant appearance, like a star of the first magnitude.

Two houses, a barn, blacksmith shop and upwards of 200,000 feet of lumber were burned in Peacham the 14th. The property was mostly owned by George B. Hatch of Newbury; partially insured.

PATENTS have been granted recently to Vermonters as follows: F. H. Parker of Burlington, master-arm for electric light; Charles C. Gilmore of Swanton, suspenders; B. C. Corser of St. Albans, overalls.

The *People's Journal* is the name of the new weekly paper started in Rutland under the auspices of the Knights of Labor. It is an attractive-looking sheet, and the first number shows enterprise and ability.

CHARLES BUZZELL of St. Vital, P. Q., the cook for a company of log-drivers, was drowned in the Connecticut river at Brattleboro Monday, while attempting to cross on a log. He was about twenty years old.

WESLEY METCALF of Williston was severely injured last week by the overturning of a load of hay, one time of a fork which was on the load entering his body and penetrating to the depth of twelve or fifteen inches.

The annual reunion of the Windsor County Veterans' Association will be held at Chester August 24. Governor Drushen and many other prominent men will be present and ten or more bands will be in attendance.

THEODORE DOYLE, about thirty years old, from Albany, N. Y., fell Monday seventy feet from the top of the iron bridge now being built over West at Brattleboro and was instantly killed. He leaves a mother and sister.

THE will of the late Judge Poland has been filed for probate in the Lamotte probate court at Hyde Park. It provides for no public bequest, the money all being left to his family. It is said that his estate will settle for \$500,000.

THE grist-mill of W. B. Johnson at Essex Junction was entered by burglars the other night and a hole was drilled in the safe door and the door blown off. About \$500 in money was taken and also a tin box containing valuable papers.

MRS. ABRAHAM FLOWER of Pownal went into the barn of her husband to give a horse some water, when the horse suddenly sprang upon her, trampling her down, seriously injuring her side, cutting open her head and breaking a leg. She lies in a critical condition.

THE nineteenth annual session of the American Philological Association was held in the Billings Library of the University of Vermont last week. A large number of eminent philologists from all parts of the country were in attendance. A number of papers of instructive interest were read.

Two government agents have been through Newport sending back Frenchmen and other foreigners who are not domiciled in that part of the state. It is supposed to be done by order of the President, under a new law passed at the last session of congress. One farmer in Coventry had three men taken away in one day.

BASE-BALL: The Burlington club forfeited a game to the St. Albans team last Thursday, nine to nothing. St. Albans defeated the Rutlands Friday, seventeen to two. The Burlington team went to Rutland Saturday and were defeated again by the large score of fourteen to eight. The Burlingtons defeated the St. Albans nine Monday, nine to two. The Rutlands defeated the St. Albans nine Tuesday, twelve to two.

BREDS: Noble of Washington, D. C., a guest of the Mansion House at Alburgh Springs, was drowned in what is known as Hilliker's Bay Friday afternoon, his body being found about four o'clock. Mr. Noble was about seventy-four years of age. He had gone fishing alone in a boat, and after he had been out some time parties on shore noticed that nobody was in the boat. Search was made at once and resulted in the finding of his coat in the boat and his body in about three feet of water.

The annual regatta of the Burlington yacht club for the championship pennants was sailed last Thursday morning, and it was one of the closest and most exciting races yet held on Lake Champlain. A smashing breeze prevailed from the northwest and all the conditions could not have been more favorable. The course measured about fifteen miles for the second class and twelve miles for the third class, the turning points being as in former races. The pennants were won by the "Lulu" and "Gypsie."

The state railroad commissioners—ex-Governor S. E. Pingree, Hon. Henry L. Clark and Colonel F. C. Fletcher—began their annual inspection of the railroads last week Tuesday. They began with the Passumpsic, starting from White River Junction on a special train. Wednesday they completed the inspection of the Passumpsic, Thursday the Grand Trunk and Friday the Southeastern. They are accompanied by the roadmaster and bridge-master of each division, and make a very thorough inspection, walking through every bridge and examining every passenger station.

A WATERBURY associated press dispatch, July 18, says: "In June, 1886, Jud Depau ran away from Beekmantown, New York, with Edward Nelson's daughter, Elvira, aged thirteen. Depau was about forty and had a wife and three children at Malone. Nelson traced them to North Hero, but found no other intelligence until last week, when he saw the associated press account of the so-called boy that gave premature birth to a child in Waterbury, Vermont. He started immediately, and found his daughter here in a critical condition and

destitute. She had worn boy's clothes since leaving home. The child was dead when he was secretly buried in the night by Depau. When Nelson appeared Depau escaped before he could be arrested. Nelson will take the girl home if she lives."

In General.

IRELAND is suffering greatly from drouth. More fighting is reported from Afghanistan.

KUFT, the manufacturer of steel guns, is dead.

An exciting struggle is expected this week in the New Hampshire legislature over the railroad bill according the Boston & Maine an advantage over the Concord road. Each faction controls about one-third of the members and the remainder are not yet committed.

A CYCLONE Sunday evening wrecked the opera-house at Waupaca, Wis., unroofed

two hotels, blew down the Episcopal church and people and caused other havoc. The Curran House was struck by lightning, but no one was injured. The farmers in the vicinity suffered heavy losses.

AMONG the property destroyed by fire Friday was the New England ship-yard at Bath, Maine, the largest sugar refinery at Montreal; the Patapasco flouring mills at Baltimore; the Bergdoll brewery at Philadelphia, and the Lawrence cement works at Edlyville, N. Y.

Weekly Market Review.

WATERTOWN AND BRIGHTON LIVE STOCK.

CATTLE.—The receipts were 2,169 head. The demand was only moderate, Northern dressed selling at 6½c per lb. No fancy lots offering.

SHEEP AND LAMBS.—The receipts were 12,024 head. The demand was steady at 2½ to 5½c for sheep and 6 to 7½c for lambs.

SWINE.—The receipts were 17,319 head. Quotations were well sustained, Northern dressed selling at 6½ to 7½c and Western live at 5½ to 6c per pound.

BOSTON COUNTRY PRODUCE.

Eggs.—The demand is steady and the tone of the market very firm. Vermont and New York sell at 16 to 18c and choice Western at 16c per dozen.

CHEESE.—There is not a very good demand and prices are sustained with difficulty. Extra Vermont sells at 4 to 5½c; good to choice at 7½ to 7¾c, common at 6 to 6½c and extra sage at 9c per pound.

BUTTER.—The market is in a good condition. The demand is steady for all grades and the firm feeling noted one week ago is increased. The supply of the lower grades of stock from a medium down is increasing. Extra Western creamery has met with a good demand at quotations. The better grades of Northern dairy butter are doing fairly well, but many of them are showing the effects of the hot weather. Extra Northern creamery sells at 20 to 20½c, extra Western creamery at 20 to 21c, choice do at 16 to 17c, the finest Franklin county dairy at 18 to 19c, choice do at 17 to 18c, choice Northern dairy at 16 to 18c and fair to good do at 12 to 13c per pound.

THE LUMBER TRADE.

THERE has been no change of importance in lumber during the past week. The demand for Eastern and Northern lumber is steadily increasing and is much larger than at this time last year. Prices have been well held and the mills have been pushed with orders. Rough hemlock boards sell at \$10.00 to \$10.50, hemlock planed do at \$12.00 to \$12.50, best clear spruce floor boards at \$19.50 to \$20.00, coarse at \$13.00 and refuse at \$8.00 to \$9.00; one-inch box boards at \$12.00 and seven-eighths do at \$7.00 to \$8.00, do clear at \$24 to \$27.00 and other grades at \$12 to \$21.00; pine and spruce laths at \$2.00 to \$2.25; spruce underfloors at \$10.00 to \$12.00.

You'll find her smiling night and day, Although at times she's not gay, And should you wonder why you meet This constant smile, regard her teeth. She can laugh these come to show, Which SOZODONT makes white as snow.

Laughter Lends a New Charm

To beauty when it discloses a pretty set of teeth. Whiteness, when nature has supplied this element of loveliness, may be retained through life by using the fragrant SOZODONT.

"SPALDING'S GLUE" mends furniture, toys, crockery, all ornamental work.

Business Notices.

Dutcher's Extract of Roots for Home-Made Beer.

Bright, lively, sparkling. A delightful beverage made in thirty minutes. All other materials in the house. Invigorating, appetizing, strengthening. A twenty-five-cent bottle makes five to ten gallons of most delicious root beer. Try it and you will keep it on hand all summer.

TAKER D. K. and be O. K. See advertisement.

The favorite washing compound of the day is JAMES FLYE'S PEARLINE. It cleanses fabrics without injury and without the laborious scrubbing necessary with ordinary soap. For sale by grocers.

BE YOUR OWN DOCTOR.—It won't cost you one-half as much. Do not delay. Send three two-cent stamps for postage and we will send you Dr. Kaufmann's great work (fine colored plates from life) on disease, its causes and home treatment. Address A. P. Ordway & Co., Boston, Mass.

Dutcher's Fly-Killer

Will kill more flies in a day than a fly-trap can catch in a week. You need not drown them, as they do in dog-pounds, nor go hunting around with a powder-gun, and then have to burn them. They are dead! They don't live long enough to get away. Every sheet will kill a quart of flies and brings peace and happiness to the family.

Positive Cure for Piles.

Dr. Marchesi's Italian Pile Ointment—emphatically guaranteed to cure or money refunded.—Internal, External, Blind, Bleeding or Itching Piles. Price fifty cents a box. No cure, no pay. For sale at Frank H. Bascom's drugstore, Montpelier, Vt.

In General Debility, Emaciation, consumption and wasting in children, Scott's Emulsion is a most valuable food and medicine. It creates an appetite, strengthens the nervous system and builds up the body. "Have been highly pleased with it in consumption, scrofula and wasting diseases, bronchitis and throat troubles."—A. Jones, M.D., *Concise Medical Treatise*.

When baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

No woman is beautiful with a bad skin, covered with pimples, freckles, moth or tan. Have been asked many times what will remove these unsightly blemishes. No face-paints or powders will remove them, as they are caused by impure blood. The only sure remedy I have ever seen is Sulphur Bitters, and hundreds of cases I have never known them to fail.—*Editor's Fashion Gazette*.

Dutcher's Ready Cleanser

Removes grease and dirt, cleans coats, vests, hats, pants, dresses, carpets, children's clothing and dirty hands quick. Cleansing and fine fabrics. A valuable household requisite. The use of a single bottle will make you its friend for life. Twenty-five cents.

Advice to Mothers.

MRS. WINSLOW'S SOOTHING SYRUP for children is the prescription of one of the best female nurses and physicians in the United States and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child from distress, soothes the inflamed bowels and wind-colic. By giving health to the child it rests the mother. Price twenty-five cents a bottle.

DRUNKENNESS, OR THE LIQUOR HABIT, POSITIVELY CURED BY ADMINISTERING DR. HAINES' GOLDEN SPECIFIC.—It can be given in a cup of coffee or tea, without the knowledge of the person taking it; it is absolutely harmless and will effect a permanent and speedy cure, whether the patient is a moderate drinker or an alcoholic wreck. Thousands of drunkards have been made temperate men who have taken Golden Specific

in their coffee without their knowledge, and today believe they quit drinking of their own free will. IT NEVER FAILS. The system once impregnated with the Specific, it becomes an utter impossibility for the liquor appetite to exist. For full particulars address GOLDEN SPECIFIC CO., 185 Race street, Cincinnati, Ohio.

Dutcher's Dead-Shot

For bed-bugs. Unlike any other. Sure death. Mrs. B. says: "I used it thoroughly when I cleaned house and have not seen a bug since." Don't neglect them. They are a prolific race. Better clear them out before they drive you out, and then sleep in peace.

Found Dead in Bed.

How often we hear or read of some one that has retired in apparent good health that has been found dead in bed on the following morning. Anti-Apoplectico, a remedy recently placed on the market, is the only known apoplexy preventative and paralysis cure. Should you suffer from dizziness or pressure in the head, pain around or palpitation of the heart, numbness or prickly sensations of limbs, procure of your druggist a bottle of this remarkable medicine and you will get relief. If you are skeptical send stamp to Dr. F. S. Hutchinson & Co., Enonough, Falls, N. Y., and they will send testimonials that will convince you.

Births.

In Marshfield, July 14, a daughter to Mr. and Mrs. Ira Woodcock.

Marriages.

In Montpelier, July 14, at the residence of the parents of the bride, by Rev. J. Edward Wright, A. Barton Hepburn of Canton, N. Y., and Emily L. Eaton of Montpelier.

In Rutland, July 14, A. L. Kellogg and Isabelle E. Morgan.

In Brandon, July 12, Dwight Bassett and Mrs. Ida Bentley.

In Londonderry, July 3, D. J. Frederic and Rosa E. Austin.

In St. Johnsbury, July 7, James Merren and Effie L. Morrison.

In Landgrove, July 6, Rev. E. E. Reynolds of Ludlow and Ada Thompson.

In Woodstock, July 1, J. A. Richmond and Julia L. Goodell of Stockbridge.

In Berlin, July 15, by Rev. John J. Hall, W. Henry Stewart of Berlin and Fannie M. Martin of Williams town.

In Chelsea, July 19, by Rev. E. E. Herriek, Clarence H. Corlies of Barre and Mary Dickinson of Chelsea.

In Montpelier, July 11, by Rev. William H. Deane, George H. Corlies of Island Pond and Hattie J. Dale of Montpelier.

Deaths.

In West Burke, July 8, John Kibbey, 61.

In Brattleboro, July 16, Willie C. Strong, 15.

In Glover, July 7, Mrs. Hannah Kimball, 84.

In Brattleboro, July 16, Jennie F. Fisher, 25.
